

Wilbur S. Smith Distinguished Transportation Educator Award

Wilbur S. Smith, an Honorary Member and the 11th International President of ITE, was a legend in the transportation community, known and respected worldwide for his innovative transportation systems and his lifelong commitment to the furtherance of the profession. His illustrious career included serving as professor and associate director of the Bureau of Highway Traffic at Yale University. The Wilbur S. Smith Distinguished Transportation Educator Award recognizes a person who has made an outstanding contribution to the transportation profession by relating academic studies to the actual practice of transportation.
