

Institute of Transportation Engineers

Are You Retired?

If you are 55 or older and no longer receive a principal income (less than \$10,000 a year) from the practice of transportation engineering, you are eligible to transfer to Retired Member status.

As a Retired Member of ITE, you pay only \$130 a year, plus District/Section/Chapter and specialty council dues (as applicable). You will continue to receive your subscription to *ITE*

Journal, and you will retain your membership grade and all other privileges in accordance with the ITE Constitution. If you are interested in this special membership status, complete the form below and send it to ITE Headquarters.
